Friday 5th February

Dear Parents

This has been a very eventful week at St John's and everyone seems to have been extra busy.

There is a fantastic display at the top of the stairs of musical instruments that Year 5 have made. They have worked hard with their designs and they all make a musical sound. Well done Year 5 a great project.

Staffing

I sent a letter earlier this week to parents in Year 5 and Year 3 as they will be the most effected by the staff changes after half term.

Mrs Webber will be returning to school after half term and teaching with Mrs Fitton in Year 3. Mrs Webber will be teaching all day Monday and Tuesday and Wednesday morning, Mrs Fitton will be teaching Wednesday afternoon and all day Thursday and Friday. Mrs Thompson will be supporting Year 5 and 6 until after Easter when she will cover Miss Jones' maternity leave in Year 5. This arrangement will enable us to deliver the curriculum with the least disruption.

Safe Internet Use

Thank you to everyone who has signed and returned the Internet Use Agreement. For those who have not, could you do so as soon as possible as we will not be able to let your child access the internet in school and this could impact on aspects of their learning. If you have misplaced the form please ask for another in the office.

HAITI

Well done to Year 6 and all the children at St John's, we raised £ 341.49 !

Parking

As you will have noticed the police have been monitoring the parking. I am embarrassed to say that some people have actually been abusive towards them when asked to move their car. They are not there to make your life difficult, they are there to keep our children safe, something we all want. From next week they will issue fines.

A Plea From Mrs Hunt

Does anyone have any old blankets, scraps of material or buttons they do not need ?

I need these things for an Art Project, all donations greatly appreciated.

Many Thanks

Contact Details
